The screenshot shows the eTwinningLive website interface. At the top, the navigation menu includes 'PEOPLE', 'EVENTS', 'PROJECTS' (highlighted with a red box), 'GROUPS', 'PARTNER FORUMS', and 'PROFESSIONAL DEVELOPMENT'. On the left, there is a user profile for 'Tea Režek' and a prominent orange button labeled 'CREATE A PROJECT'. The main content area is titled 'Find projects' and contains a search input field with the placeholder text 'Type a keyword, name, place, ...' and an orange 'SEARCH' button. A link for 'Need an extended search?' is also visible.

- odabir škole; ako korisnik radi samo u jednoj sustav automatski vrši odabir i zatim klik na sljedeći korak

The screenshot displays the 'Select school' step of the project creation process. The page title is 'Select school'. Below the title, there is explanatory text: 'Select the school you want to start this project with from your active schools list. If your school does not appear you can add or activate it while editing your profile.' A note states: 'You can select only 1 school and this school can't be changed during the duration of the project.' A search result for 'Agencija za mobilnost i programe EU' from 'Zagreb Croatia' is shown with a radio button selected, which is circled in red. Below the search results is an orange 'NEXT STEP' button, also circled in red. On the right side, a sidebar titled 'CREATE A NEW PROJECT' shows a progress list with four steps: 1. Select school (highlighted in orange), 2. Select partner, 3. Project description, and 4. Preview.

S obzirom na to da se internetska veza uvijek može prekinuti, savjetujemo Vam da sve osnovne podatke o projektu imate spremne u zasebnom dokumentu pa ih kopirate u online obrazac.

Vaš projekt, nakon što ste sačuvali sve podatke, odobravaju Nacionalne službe država osnivača projekta. To može potrajati nekoliko dana, a nakon što se projekt odobri dobit ćete email s obavijesti te ćete moći krenuti uređivati TwinSpace projekta kojem pristupate na sljedeći način:
