EXAMPLES OF INCORRECT USES

Never place the eTwinning logo on its own on a busy background as it affects its legibility.

The eTwinning logo must always appear clearly and legibly on its backgrounds. Always observe clear space specifications and use a white box when the identity is placed on photos or busy backgrounds.

Never place the eTwinning logo on its own on a background similar to one of the colours in the logo as it affects its legibility.

Always use a white box around the eTwinning logo when it is placed on a background similar to one of the colours in the logo or alternatively use the black and white version of the logo.

Never place the eTwinning logo on its own on a black background.

Always use the negative grayscale version of the eTwinning logo when it is placed on a dark coloured or black background.
